FEBRUARY 2021

You're dearly beloved in His eyes!

Dear Friends,

The song, "In His eyes" could be a Clearview Home anthem. God's view of His precious ideas guides us in the valuable Christian Science nursing care our staff provides.

As you start 2021, please rest assured in what God sings of you and how God sees you. Know that God loves you

deeply. This is the basis for healing and revealing of Love's infinite blessings all around.

Please enjoy reading the healings and gratitude we have seen expressed

*In His eyes you're a radiant vision of beauty
A gemstone cut one of a kind
You're fine as a diamond, deep as a ruby
Rare as a jade in His mind
No need to believe all you may have been told
No need to live in disguise
You're brighter than silver, purer than gold
A pearl beyond price in His eyes"**
(*words by Mindy Jostyn and Jacob Brackman)

here at Clearview Home over the past few months. We have also included ways we can support one another. I hope you will join us more this year

in our "mission of love to fulfill."*
"... guiding you home-ward, piercing the dark / Is the lovelight that shines in His eyes / Now and

forever, that light never dies / You're dearly beloved in His eyes."*

Elizabeth Harned
EXECUTIVE DIRECTOR

Expressions of gratitude and healing from 2020

- There is a sense of Home at Clearview. I felt it at your Open House event last year and see it reflected even in your regular e-newsletter. Thank you, Clearview Christian Science nurses and staff for your dedication and love! What a healing balm there is in the expression of consecration, gentleness, charity and joy (see Mrs. Eddy's definition of OIL - S&H p. 592). The world needs this healing balm - especially now. We are all doing our part.
– a contributor
- I am grateful for the immediacy with which you accepted [my friend] and the tender loving care received.
– a friend
- We support and applaud your dedication to the needs of Christian Scientists.
– branch church in Indiana
- Dear Friends at Clearview, Enclosed is a check ... We are so grateful for and inspired by your dedicated service to the cause of Christian Science at Clearview. Many blessings for the New Year to all of you!
– a Wisconsin branch church
- Many, many thanks for all the tremendous good Clearview Home accomplishes on a daily basis. I am so grateful for the high standard of Christian Science demonstration which Mrs. Eddy set for us all.
– a volunteer and former patient
- Thank you for letting me 'visit' with you and others on several occasions without even having to get in my car. God bless you and everyone at Clearview!
– a Chairside Chatter from Michigan

Support us daily

Day by day the manna fell: / O, to learn this lesson well. / Still by constant mercy fed, / Give me, Lord, my daily bread.

(Christian Science Hymnal, #46)

Christian Science nurses work around the clock to provide the healing atmosphere and proper care our loved ones need. We invite you also to daily invest your prayers and demonstration of supply to help Clearview Home. This Christian Science nursing facility, located in Delafield, Wisconsin, welcomes all relying on healing through Christian Science. We serve a large region, being the closest facility for most of Wisconsin, much of Illinois and parts of Michigan, Iowa, and Indiana. We are ready for many people to come to our facility or get assistance over the phone.

Won't you consider a few moments of your daily prayers and one dollar a day to support our healing mission of shining the light of Love and healing through Christian Science nursing? We are encouraging you to give \$31 per month on a credit card, bill pay service, or by check. This adds up to \$372 per year and pays one Christian

Science nurse's shift. Or if you are comfortable giving \$2 per day, this pays for a new adjustable recliner for our patient rooms. There are many ways that your gift impacts the quality care provided by our Christian Science nursing staff and modern building.

To encourage you to start this regular giving, we have enclosed three contribution envelopes. You can use them now to help you ease into monthly giving. If you want to start right away with a credit card just fill it out and mail it in or go to our donation page and start a recurring gift online. If you don't think you will use all the envelopes, please pass them along to friends and family. Sometimes people just want to be asked to give. So, we ask you and those you know who care about Christian Science nursing to give a portion of your prayer time and gracious supply to help those helping others. Blessings flow from above in your demonstration of love.

"Blessed be the Lord, who daily loadeth us with benefits, even the God of our salvation" (Psalms 68:19).

We are ready to serve in any season.

Frequently asked questions about monthly giving

Why does Clearview Home need money?

Clearview Home is community founded and sustained. Since 1948, we staff, volunteers, and community and church members have provided Christian Science nursing care regardless of someone's ability to pay. Caring for one another in this way means cheerful giving of prayers, time, skills, talents, and funds. Thank you for your rich support!

Will I receive a receipt for my gifts?

Yes, receipts are joyfully given. Online gifts receive an immediate confirmation. At present, monthly or quarterly contributions are thanked twice a year and include a summary of your gifts.

Will my monthly gift be matched if Clearview Home holds a matching campaign?

Yes. Any gift received during the campaign dates will help reach the goal.

Are there special funds I can designate the monthly gift to?

Yes. Besides our General Fund, we also appreciate contributions to our Benevolence and Building Funds.

What if my credit card expires or was closed down?

Please notify us and we can help you update or re-start your gift.

How can I stop the gift?

Please contact the Director of Development and Communication, Lynn Meyerson at dirofdevelop@clearviewhome.org or 262-409-0103.

Are there other suggested amounts and expenses that can be covered?

Clearview Home will be entering the design phase for expanding the campus. Please contact the Executive Director or Director of Development about gifts for the Building Fund or special projects and purchases. Equipment needs generally run between \$200-\$1500.

I really want to give just once a year, what's the best time to do that?

We are grateful for your gift at any time. May it be when you are inspired and at your convenience. Larger gifts could help sponsor a matching challenge which we hold occasionally each year.

Our activity room, a friendly meal, and a cozy alcove.
